Bjørn Erik Olsent / www.nordnorge.com / Bodo

The High North Center at the Business School, Nord University, is happy to invite you to participate at "High North Dialogue 2016". The dialogue consists of two main events: conference and master/PhD course.

CONFERENCE

HIGH NORTH DIALOGUE 2016

24th - 26th of May at Nord University

Since 2007, the High North Dialogue conference series have brought together Arctic leaders – present and future – to discuss the opportunities for value creation in the Arctic in an international context. Set in Bodø – the second largest community in North Norway and gateway to Lofoten – the High North Dialogue 2016 will provide you with a different perspective on the future of the Arctic.

The topic of the conference is "The Blue Future of the Arctic". The purpose of the event is to create a platform for discussion and elaboration of ideas for the future of the Arctic region, with an emphasis on blue (marine and maritime) innovation, entrepreneurship and development.

Some of the panels:

- Politics and Economy of the Arctic
- Blue potential of the Arctic
- Arctic business and innovation
- Future Arctic Leaders

For an updated version of the conference program, please visit www.highnorthdialogue.com

MASTER AND PHD COURSES

HIGH NORTH DIALOGUE (7.5 ECTS)

23rd - 27th of May at Nord University

The Master and PhD courses will take place from 23rd to 27th of May 2016 at Nord University, Bodø, Norway. We invite students from all over the world who are interested in international perspectives on business and governance in the High North, challenges and opportunities of exploration and utilization of the resources, social, economic and political agenda in the Arctic, energy and sustainable management. The focus is on developing knowledge about opportunities for value creation in the High North and basic issues of High North region development based on geopolitical, economic, regulatory and stakeholders-oriented approaches from national and global perspectives.
